

33rd FISITA WORLD AUTOMOTIVE CONGRESS 2010

Students and Young Engineers Programme

STUDENT CONGRESS

Students are kindly invited to attend the Student Congress parallel to the Main Congress (30/05/2010 – 04/06/2010) to present their research field in the same topics as for the Main Congress:

- | | |
|---|---|
| A Environmentally friendly vehicles | E Intelligent systems in road traffic |
| B Vehicle design and Development | F Buses, trucks and heavy vehicles |
| C Test, simulation and calculation methods of vehicles and components | G Vehicle standards, regulations, legislation |
| D Safety on roads | H Efficient production and operation of vehicles and components |

Students can share knowledge with other participants, young engineers and delegates attending the Main Congress, moreover, they also have the opportunity to attend the Main Congress.

Participation is available only for full-time and post graduate students with a proof of the higher educational institute or the national FISITA member society. Graduate engineers can attend only as travelling fellows.

Students and young engineers are welcome on Sunday 30th May during the Welcome Reception. They are joining the participants of the Travelling Fellowship Programme.

The Student Congress registration fee is 250 EUR. Travel (to Budapest and back) costs are sponsored by the participant or the national FISITA member society. All costs relating to the technical programs are covered by GTE.

Application details are on the website: <http://www.fisita2010.com/students/congress>. The application form should be scanned and sent to fisita2010student@diamond-congress.hu. Abstracts should be uploaded through <http://www.fisita2010.com/students/congress> to select the attendees by the Student Activities Committee. The paper will be published on the Congress Proceedings CD ROM, together with the papers of the Main Congress.

Please make sure before uploading that your application form has been sent to fisita2010student@diamond-congress.hu!

Abstracts should contain the following:

- Title of the paper
- Contact information for author and co-authors (name and title, institution, position, country, email, fax, phone, mailing address)
- 3-5 keywords

FISITA

2010

World Automotive Congress
30 May – 4 June, Budapest, Hungary

- Subject group(s) the paper belongs to, first and second option (e.g. F4 and/or D4, may be G2)
- Abstract (clear description of the subject, main results and conclusions reached. The description shall be in the range of 2000–2500 characters. In the case of any matrix, diagram or picture their content must be described and the text shall be shortened.
- The statement of the author that the paper is original and has not been published or presented elsewhere.
- The whole, complete abstract listed above shall be presented not more than one page.
- Please note that the Book of Abstracts will be printed in black and white.

Papers must be written and presented in English. Oral presentations are allocated 20 minutes each, plus discussion. The Student Activities Committee (SAC) will decide whether to accept a paper on the basis of the abstract. Abstracts should clearly set out the main scientific, technical, economical and / or practical points to be addressed, paying particular attention to those aspects of the work which are new, innovative and unique. SAC will also decide whether to accept the paper for oral or poster presentation, taking into consideration the total number of abstracts received in each subject group, and will inform authors accordingly. Only papers presented by their authors at the congress will be published in the Book of Abstracts and Congress Proceedings.

PRIZES

FISITA awards prizes for the three outstanding papers presented by students and young engineers at the Congress. The awards, presented at the Closing Ceremony, are the following:
