

FISITA

2019

World Automotive Congress

30 May – 4 June, Budapest, Hungary

Instructions for Writing Your Final Abstract

You are asked to submit a Final Abstract (updated from the first abstract you submitted) which is a good summary of your Final Paper. This Final Abstract will be printed in the Book of Abstracts which is used by delegates at the congress to decide which paper presentations they wish to attend.

The Final Abstract must adhere to FISITA's Final Abstract Template and have the correct margins, font, layout etc. Please follow these instructions closely, and check your paper carefully before uploading it. **No proofreading or changes will be made by the congress organisers prior to publication.** If your paper is not prepared using the correct layout and format, it may not be included in the Book of Abstracts.

- Template:** Use the Final Abstract Template to format
Your Final Abstract
- Language:** English only.
- Length:** One page DIN A4 **maximum.**
- Margins:** 2.5 cm top, bottom, left, right. The text width and text height are determined by the page settings of the Template.
- Justification:** Left.
- Font Sizes:** Times New Roman 12 point, single column
- Images:** **Do not include any images or graphics in your Final Abstract!**
- Format:** Acrobat PDF (version 6 and above). **Other formats are not accepted!**

Layout

Your Paper Number: F2010-X-NNN (*see your acceptance email from us*)

TITLE (*must be in CAPITAL LETTERS, TIMES NEW ROMAN, 14 POINT, BOLD*)

Author Name/s (*Last Name, First Name. Use asterisk (*) after name to indicate presenting author*)

Author Affiliations (*Organisation, Country. Use index (1) to show different affiliations of authors.*)

Abstract text

IMPORTANT: Use the template to ensure the correct layout of your Final Abstract

Creating the PDF of Your Final Abstract

1. Please make your PDF in Adobe Acrobat (version 8 and above). As an alternative, you can use freeware to create pdf files without limitations, e.g. www.cutepdf.com or www.pdfill.com DO NOT apply any security settings (i.e. allow printing, changing, selecting text etc.)
2. Please complete the Document Information Summary when making your PDF. This is essential for us to include your abstract in the index and search facilities of the Congress Proceedings (Print and CD):

Click on **File > Document Info > General** and enter your information as follows:

- **Title** – give the full title of your paper
- **Author** – give the names of each author, followed by their affiliation & country, like this:

Last Name, First Name, Organisation, Country

3. **Filename:** Give your Technical Paper the filename **F2010XNNN-Abstract**, where F2010XNNN is your individual paper number (see your acceptance email for this number).
